Platform: Google Meet

Tuesday, May 21, 2024, 11 am to 12:30 pm

Presenter's biography:

Executive Director for LVA, Essex & Passaic Counties brings his successful leadership skills to the organization. With his hands-on management style, he has been an integral part of the LVA administrative team since 2001. His expertise includes strategic planning, programming, grant writing and reporting, negotiations, and technology. Cristhian also serves as the Director of the New Community Corporation – Adult Learning Center in Newark and as Past-President of New Jersey Association for Lifelong Learning. Prior to coming to LVA, he was the former Managing Director of Uruguay's second largest modeling agency. His strong commitment to literacy is further exemplified by being the Board President for NJALL, and a member of SCALES and Literacy Committees for Essex and Passaic Counties. He holds a bachelor's degree in business administration from Labor University of Uruguay in Montevideo and an associate degree in graphic and web design.

Workshop topics:

This interactive workshop will give us all a chance to better discuss the selected processes and steps taken to improve our students' learning experience while maximizing our tutors time, experience, and available resources.

Additionally, we will discuss the different programs available locally and at the state level, both for students and tutors.
