Presenter's biography:

Alisa Takeuchi has over 24 years of Adult Education experience. Her broad range of experience spans from ESL instructor, technology integrator, mentor teacher, and CTE instructor. She has had the privilege of being a Subject Matter Expert in technology integration and Content Developer for a California state leadership project housed at the Sacramento County Office of Education. Teaching and sharing what she knows with others is her passion and remains at the forefront of her priorities.

Workshop description:

Are you looking for free online resources to help teach ESL? Tour USA Learns' seven English courses (www.usalearns.org), which use multimedia to teach beginning, intermediate English, and CTE. Learn to use the interactive activities to teach listening, vocabulary, grammar, spelling, pronunciation, reading, writing, speaking, and job skills. Brainstorm ways to use these materials in your class with your students. Learn to create your own USA Learns course that tracks students' progress, scores, and time.
